The above scale is for twelve months. For six months six-twelfths of the fee will be charged, for nine months nine-twelfths, and so-on, at the rate of one-twelfth for each month; but no fee is to be less in amount than three-twelfths. In all cases of *new* steam-ships, or of steam-ships coming under survey for a Passenger Certificate *for the first time*, a full twelve months' fee must be paid, notwithstanding that a Certificate for twelve months may not be required, and in no case of an incomplete declaration will less than three-twelfths be charged.

The fee paid in accordance with the foregoing scale covers any number of visits that a Surveyor may require to make before he is able to grant his declaration, as well as the inspection of the lights and fog signals, and of the marking of the vessel, which inspection must be made by the Surveyor before he can grant his declaration. The fee does not, however, apply to or include any inspection of lights, fog signals, or marking, made subsequently to the granting of the declaration.

The above fee does *not* cover any service under the Chinese Passengers' Acts, or measurement for tonnage.

A special survey is to be deemed to be a survey requiring more than two visits by a Government Surveyor or Surveyors, or a survey in cases in which from age or any other circumstances there are reasonable grounds for doubting the seaworthiness of the vessel. Where the case requires unusual attention and occupies an unusual amount of the Surveyor's time, the higher fee of $60 and upwards will be charged, according to the special circumstances of the case and the number of visits made.

Where a declaration has been granted for a Steam-ship under this Ordinance, the survey under the Chinese Passengers' Acts will be made on payment of half the usual fee mentioned above. The fee paid in accordance with the above scale covers the inspection of the lights and fog signals, and the marking of the vessel, made at the time of survey under the Chinese Passengers' Acts. It does not, however, apply to, or include, any inspection of lights, fog signals, or marking, made subsequently to such survey.

The fee for survey under the Chinese Passengers' Acts does not cover any survey of a Steam-ship for a Passenger Certificate under this Ordinance, or measurement for tonnage, or inspection of crew spaces.

Travelling expenses (if any) and subsistence expenses (if any) due according to the scale authorised by the Governor, will be charged in addition to the fees.

MODE OF PREPAYMENT.

14.—The postal charges must be prepaid by means of stamps affixed to the cover of the parcel. It is to the sender—

I. To prepay in the same way the non-postal charges other than Customs duties.

II. While prepaying the charges specified under heading I., to assume responsibility for the Customs charges, so that the parcel may be delivered free of cost to the recipient. In this case it will be necessary to proceed in the manner described in paragraph 202 of the Hongkong Postal Guide. This arrangement ensures a speedier conveyance, since ordinary parcels will remain at the New York Customs House until the addressees have remitted thither the amount of duty and other charges upon them.

The charges not prepaid by the sender will be collected from the addressee.

PARCELS FORWARDED IN BOND.

15. The sender may without extra charge direct that a parcel be sent through the New York Custom House in bond, for Customs examination at any of the "United States Ports of Entry," or Inland Custom Houses, of which a list is given in the Hongkong Postal Guide. This arrangement also does away with the delay at New York referred to in the preceding paragraph, but, on the other hand, the addressees will have to make arrangements for the delivery of parcels so treated after they have been cleared at the Custom-House of the Inland Port of Entry.

The Sender of a parcel intended to be forwarded in bond must mark it plainly "In bond to.................." naming the Inland Port of Entry chosen, and the same words must also appear in the same handwriting on the Customs declaration which accompanies the parcel.

DELIVERY.

16.—In the United States, as in many British Colonies and Foreign Countries, parcels are not in all cases delivered at the houses of the recipients. The will, however, be delivered at all places within the delivery of any Express Company of the United States, and when they are not delivered, a notice of their arrival will be sent to the addressees, who must then arrange to obtain them at the point where they are lying.

GENERAL REGULATIOOS.

17. The regulations of the Foreign and Colonial Parcel Post apply generally to this service also. But attention should be paid to the points of difference stated below.

CUSTOMS DECLARATIONS.

18. The non-adhesive form of Customs declaration must be used. Two copies are required. If the parcel is to be sent in bond to an Inland Port of Entry, it must be endorsed as directed in para. 4. Moreover, if the value of the goods contained in the parcel exceeds $100 (Gold) or £2010 declaration must be made before a United States Consul on forms supplied by him

HONGKONG VOLUNTEER CORPS.

The Corps as it existed until 1893 consisted solely of an Artillery Corps. It was not made subject to the Army Act, and consequently was not held to be in a military sense a reliable force in the event of war.

In 1893 the force was disbanded by the Government and a new Volunteer Corps was formed under Ordinance No. 6 of 1893, which placed the Corps under the supervision of the military authorities as in England, and made it subject to the Army Act to the same extent as the Volunteer Force in England. Amended Regulations were made by the Governor-in-Council on the 25th May, 1899, and again amended on the 6th November, 1902.

The establishment of the Corps has now been fixed as follows:—

2 Garrison Artillery Companies, ...310
1 Engineer Company, ... 60
and a Band, ... 23

with a Staff of 1 Major Commandant and Adjutant, 1 Major 2nd in Command, 2 Medical Officers, 1 Corps Sergeant-Major, and 1 Orderly Room Clerk (Chinese), and 1 Armourer Sergeant.

LAW AFFECTING CURRENCY.

1. *Ordinance* No. 6 of 1865, sections 13 and 20.—This Ordinance relates to the offence of forging *Bank Notes.*

2. *Ordinance* No. 10 of 1865.—Offences against Coinage, but sections 4, 5, 16, 17, 26 and 27 not in force by Proclamation in *Gazette* of 21st October, 1865, under the Ordinance.

3. *Ordinance* No. 19 of 1895.—Defacing or Chopping British Dollars.

4. *Order in Council of 2nd February, 1895*, published in *Government Gazette Extraordinary* of 30th March, 1895, declares that Mexican Dollars, Hongkong Dollars and British Dollars or other Silver Dollars of equivalent value duly authorised by the Governor of Hongkong shall be the only legal tender, and provides that Silver Coins representing some multiple of the cent or one-hundredth part of the said Dollars shall be a legal tender for any sum not exceeding Two Dollars, and that Copper or Bronze Coins representing the cent or one-hundredth part, or the mil or cash representing one-thousandth part of the Dollar shall be a legal tender for any sum not exceeding One Dollar.

The above Currency consists of the following Coins, viz.:—

1. The Silver Dollar of Mexico.
2. The Hongkong Dollar and Half-Dollar issued from Her Majesty's Mint, at Hongkong.
3. The British Dollar.
4. Silver Coins issued from Her Majesty's Mint, representing—

THESE QUESTIONS ARE TO BE FILLED UP IN RESPECT OF EACH PRISON IN THE COLONY.

Questions.

I. If the Prison is on the separate system, is this separation complete? And if not, what is the separation enforced by day and night respectively?

II. If not on the separate system, what provision is there for the supervision of the prisoners while in association?

III. How many cells are there; and how many associated wards?

IV. Taking the average number of prisoners in Gaol, how many cubic feet of space are there for each prisoner during the hours of sleep?

V. How are the prisoners classified?

Answers.

The Prison is nearly all on the separate system. European and Asiatic prisoners both new and old offenders are located in separate cells except when the total number of prisoners exceed 514.

All cell doors are provided with inspection holes through which the prisoners can be seen by the officers patrolling the wards. While at labour or exercise the prisoners are at all times under the immediate supervision of Principal Warders, Warders, and Assistant Warders.

There are 500 cells on the separate system, and 14 associated cells.

In separate.....664 cubic feet.
In association .....(approximate) 200 „ „

First offenders are treated as far as accommodation will permit as the star class men in the Home Prisons and are kept quite distinct from the habitual criminals.

In classification their sentence and nationality are taken into consideration; they are classified as follows, viz.:—

Europeans, Indians, and Chinese.

Debtors.
Misdemeanants.
On remand and awaiting trial.
First offenders.
Habitual criminals.
Juvenile offenders.

All the prisoners of the above classes are separated at night, and in the yards, as much as possible.

If the Buildings are afterwards altered or enlarged, fresh Plans should be sent home with the Blue Book of the year in which the alterations were effected.
